

ONEIA 2016 CURLING BONSPIEL: “Break the ice on the ice”

Wednesday February 3, 2016

Join your colleagues from across the environment and cleantech sector for a fun (and low-stress) afternoon of networking, curling and business development at the centrally-located Brampton Curling Club. The event brings together a mix of businesspeople from a range of companies to support the Association.

Don't know how to curl? No worries! We will offer a free clinic to teach everyone the basics, followed by four, two-end games and a networking reception. Prizes for the best team and runner-up - and for the team that shows the best curling spirit. You can register as an individual OR put in a four-person company team and show your firm's pride!

"Hurry hard" to register - we expect to have a "full house" very quickly.
