## **ONEIA 2014 CURLING BONSPIEL: "Break the ice on the ice"**

***Wednesday January 22, 2014***

Join your colleagues from across the environment and cleantech sector for a fun (and low-stress) afternoon of networking, curling and business development at the centrally-located Brampton Curling Club. The event brings together a mix of businesspeople from a range of companies to support the Association.

Don't know how to curl? No worries! We will offer a free clinic to teach everyone the basics, followed by four, two-end games and a networking reception. Prizes for the best team and runner-up - and for the team that shows the best curling spirit. You can register as an individual OR put in a four-person company team and show your firm's pride!

If you are interested to join us for the networking afterwards you are welcome to register for the networking only option.

"Hurry hard" to register - we expect to have a "full house" very quickly.
